Natural Resources Board

Schedule G - Notice of Application Filing

Note To Applicants: This notice must be included with your application. You must also:

1. post, or cause to be posted, a copy of this notice in the town clerks office of the town or towns wherein the land proposed for subdivision or development lies, and
2. distribute this notice by email to the Statutory Parties required to receive notice.

See the Application Distribution section of the Act 250 Application Guide for detailed information about distribution to the Statutory Parties.

Notice of Act 250 Application Filing

Application Submitted Date: July 31, 2018
DATE

By Applicant: Hillside Precision, LLC
APPLICANT NAME

3014 Route 116
MAILING ADDRESS

Starksboro | VT | 05487
TOWN | STATE | ZIP

The above Applicant filed an application pursuant to 10 V.S.A. §6001 *et seg.* ("Act 250") for the following project (provide project description):

Construction of a new single-story light manufacturing building with new access drive off VT Route 116 and parking. Building will be served by on-site drilled well and septic system.

Bristol, Vermont
PROJECT TOWN (Primary)

, Vermont
PROJECT TOWN (Secondary, if applicable)

By completing this form the applicant certifies that it has complied with 10 V.S.A. 6084 and that, on or before the date of filing the application with the district commission, this Schedule G has been sent to the municipality, the municipal and regional planning commission in which the land is located, the Vermont Agency of Natural Resources Office of Planning, and any adjacent Vermont municipality, municipal or regional planning commission if the land is located on a boundary.
