

Zoning Board of Adjustment
July 10, 2012
Meeting Minutes

Board Members: Brenda Tillberg, Paul Jackman, Ted Desmond, Peter Grant, Kevin Brown

Application 12-48 of the Town of Bristol for making an addition to an existing salt shed for the storage of equipment (Parcel # 205163). The property is located in the High Density Residential zoning district. Said application requires approval under expansion of a Condition Use Community Facility.

Peter swore in Selectboard member Joel Bouvier.

Joel began discussing the proposed application describing the different setback requirements. Joel explained that it would be used for the storage of equipment.

The Board discussed the reasoning behind the salt shed being a community facility. Brenda asked some clarifying questions about what was being added. Joel explained that the addition wouldn't have a cement floor, but would have a roof over it.

Peter motioned to accepted the addition to the current community facility (salt shed) based on the initial permit approval in 2010 (Application 10-56).

Peter moved to approve the amended April 24, 2012 minutes, Kevin seconded, all approved (Peter Grant abstained as he was not present at the previous meeting 4-0), so voted.
