The Planning Commission is engaged in drafting changes to the Town's Zoning By-Laws & Regulations that will bring Bristol's zoning ordinances into conformity with the Town Plan approved in November, 2012. Our deliberations have been organized around the Rural/Agricultural, Rural Conservation, and Village Planning Areas. We concluded our initial deliberations on the Rural/Agricultural Planning Area at our May 21, 2013 meeting and on the Rural Conservation Planning Area at our November 5, 2013 meeting.

We began deliberations on zones within the Village Planning Area on December 17, 2013 and this evening we continue with that review, specifically the ROC (Residential, Office, Commercial) zone and perhaps discuss the NC (again), MIX, and RC-1 (all adjacent to ROC).

Adam Lougee, Executive Director of the Addison County Regional Planning Commission, continues to serve as the Planning Commission's consultant in this process.

Public comments on tonight's agenda will be called for at an appropriate juncture during the deliberations. We will hear public comments on other topics of concern at the conclusion of our evening's deliberations.
