Bristol Select Board,

We are writing today to request an abatement for a portion of our most recent water bill for 16 Main St, acct #235053. The water use bills for the Bristol Bakery have ranged from between \$250 to \$300 per period in the past. The bill for the most recent time period was \$698.64. I asked Jen about it and she explained that the increase is due to the same problem with the meter that the town repaired. My understanding is that the leak due to the failed meter ran the water usage and bill up.

We are requesting that the town consider reducing the current bill since the leak occurred in a part of the unit that the town is responsible for.

We appreciate your consideration in this matter.

Sincerely,

Barbara Conner

Dear Barbara and Chris Connor:

At their June 25, 2018 meeting, the Bristol Selectboard in their role as the Sewer Commission considered your request that a portion of the recent sewer bill for 16 Main Street be abated. After consultation with the system operator and deliberation, the Selectboard voted to reduce the bill to \$800.00, a reduction of \$186.16.

Thank you for your thoughtful stewardship of one of Bristol's fine historic buildings and for your contribution to Bristol's vitality.

If you have any questions, feel free to contact the office at 453-2410.

Sincerely,
