GRANT SUMMARY DOCUMENT

(To be completed at time of grant application)

Funding Agency Name: VLCT – 2018 PACIF Grant

Address: 89 Main Street – Suite 4

Montpelier, VT 05602

Date of Application Submission: August 7, 2018

Subject: VLCT – 2018 PACIF Grant

Brief Summary of Grant: PACIF members are eligible for up to 50% of the quoted cost of qualifying equipment with a maximum award that is determined by the member’s 2018 PACIF contribution. The Town of Bristol is eligible for a maximum payout of \$5,000 for pre-approved equipment that is intended to reduce the likelihood of PACIF claims. The Town of Bristol Fire Department is requesting PACIF grant funding to assist with the purchase of safety equipment that includes Firefighter Structural Turnout Gear, Vehicle Extrication Coveralls, Self-Contained Breathing Apparatus (SCBA) Air Cylinders and Portable Traffic Lights.

The items listed above are scheduled to be replaced over the next eight (8) months regardless of a grant award. These purchases are necessary to comply with applicable Occupational Safety & Health Administration (OSHA) regulations and National Fire Protection Association (NFPA) standards. The equipment requested includes twelve (12) sets of Structural Firefighting Turnout Gear, six (6) sets of Extrication Coveralls, and eight (8) replacement Air Cylinders (for use with Self-Contained Breathing Apparatus).

Note:

Turnout gear, SCBA equipment, EMS clothing, and other emergency services protective gear:

Each member will only be allowed to purchase specific protective equipment one time through this grant program. No repeat requests for a specific type of emergency services protective gear will be allowed. For example, if turnout jackets and pants are purchased one year, different gear such as helmets, boots, or gloves are eligible for reimbursement in future years, but turnout jackets and pants will not be eligible again. For the purposes of this requirement, turnout gear and EMS “protective gear” are considered the same.
