Valerie Capels, Town Administrator
Bristol Town Office
Holley Hall
1 South Street
Bristol, VT 05443

To Valerie and members of the Selectboard,

I wish to inform you that Bristol resident Richard Butz, a current member of the Bristol Conservation Commission, has agreed to fill the vacant position on the Bristol Energy Committee.

He brings a wealth of knowledge from his years on the Conservation Commission, and will act as a board member and liaison with that department and ours.

Sincerely,
