This will be the 5th time we've had the Derby on Fitch Ave. (One year was held in Mt. Abe 3rd parking lot.) Attendees are around 30, mostly Scouts and their families. There have been times we've gotten a portolet or used the old fire stations bathroom to accomodate attendees. We usually close the whole road, from Mountain St. to North St. only while the Scouts are racing, that's at about 10-1. Local traffic can travel through except those times. I usually notify residence on Fitch prior to the event to invite them to attend and answer questions they might have. Hope this helps.

Hi Greg,

Being a newbie, I have a few questions:  
 How long have the Scouts been holding this event?  
 How many folks participate?  
 What type of traffic control is used?  
 How is local traffic (residents needing to come and go) managed?

THANKS,

--Valerie

**Subject:** Cub Scouts road closure

Greetings.

My name is Greg Grover and I am a leader with Bristol's Cub Scout Pack. In the past we have had a soapbox derby on Fitch Ave warranting the road to be closed. We would like to have the event and road closure on Saturday August 25th, with a rain date on the 26th. Setup for the event would start around 9 or 10 and we'll have the road cleaned by 3ish. If attending the meeting on Monday will help assure the Cub Scouts can close the road on the 25th, I can certainly be there.

| Thanks for your time.
