Subject: South Street Bridge

Valerie,

Can you please add to the agenda for the 6th, rolling the South Street Bridge Line of Credit into a bond with People's United Bank? Dave from People's is sending the paperwork through the mail, which I am sure Sharon will receive probably tomorrow that the Board will need to sign. I will include a small note with it regarding the note balance, payments to principle and interest, dates of payments and what is happening with the loan for information. Looks like we will only have to pay on this for 4 years.

You will have all of the information to include in packets.

On another note regarding the tax rate, I called the District Office, I have to call back tomorrow because Howard Mansfield was not in the office today who is the person that can answer my question/clarify the question regarding the education tax rate.

Thank You,

Jen Myers
