

**ACT 250 NOTICE
APPLICATION #9A0373 AND HEARING
10 V.S.A. §§ 6001 - 6093**

On July 31, 2018, Hillside Precision, LLC (3014 Route 116, Starksboro, Vermont 05487) and Thomas C. Lathrop (P.O. Box 390, Bristol, Vermont 05443) filed application #9A0373 for a project described as construction of a new single-story light manufacturing building with new access drive and parking. The building will be served by on-site drilled well and septic system. The project is located on VT Route 116, in Bristol, VT. This project will be evaluated by the District #9 Environmental Commission in accordance with the 10 environmental criteria of 10 V.S.A., § 6086(a).

A public hearing is scheduled for September 17, 2018 at 10:00 am at the Bristol Town Offices, 1 South Street, Bristol, VT 05443. A site visit will be held before the hearing at 9:00 am at the site located on Route 116 approximately .50 mile south of the Route 17 intersection, and **before** the intersection of Hewitt Road on the left side of the road.

The following persons or organizations may participate in the hearing for this project:

1. **Statutory parties:** The municipality, the municipal planning commission, the regional planning commission, any adjacent municipality, municipal planning commission or regional planning commission if the project lands are located on a town boundary, and affected state agencies are entitled to party status.
2. **Adjoining property owners and others:** May participate as parties to the extent they have a particularized interest that may be affected by the proposed project under the ten criteria.
3. **Non-party participants:** The district commission, on its own motion or by petition, may allow others to participate in the hearing without being accorded party status.

If you wish further information regarding participation in this hearing, please contact the district coordinator (see below) before the date of the first hearing or prehearing. If you have a disability for which you are going to need accommodation, please notify this office at least seven days prior to the above hearing date.

If you feel that any of the District Commission members listed on the attached Certificate of Service under "For Your Information" may have a conflict of interest, or if there is any other reason a member should be disqualified from sitting on this case, please contact the district coordinator as soon as possible, no later than prior to the date of the first hearing or prehearing conference.

A copy of the application and plans for this project is available for inspection by members of the public during regular working hours at the District #9 Environmental Office. The application can also be viewed at the Natural Resources Board web site (<http://nrb.vermont.gov>) by clicking on "Act 250 Database" and entering the project number above.

Dated at St Johnsbury, Vermont this 27th day of August, 2018.
