

BRISTOL ENERGY COMMITTEE

Wednesday, August 15, 2018, 7:00 PM
Lawrence Memorial Library

Prepared by Sally Burrell

MEETING MINUTES

Present: Ian Albinson, Sally Burrell, Dave Cobb, Liston Freeman, John McCormick

Advisors: Richard Butz

Guest: Patty Hunt

I. EV Charging 3 parking spaces for Level 2 chargers, one double, one single. Must be networked. Check with the company Charge Point.

Ian: technical aspects, write up proposal (with Sally) and call GMP regarding getting power to the location by the tree at south/west corner of the green.

John: outreach

II. Button-Up Hero Program: Richard Butz

A. Harvest Fest Sept 22, tabling at site 27

1. Sign-ups for Button-Up walkthroughs
2. Resident experiences/case studies
3. vtenergydashboard.org handout asking residents to enter their energy info.
4. Liston, as experienced contractor, will answer homeowners questions.
5. Prep includes printing budget (Eff VT may cover), case studies and financing options (Richard, Sally, Dave), signage (Ian, Sally)

B. October Button-Up Event, Holley Hall, Wed. Oct. 24 6:30-9:00. Confirm with town.

1. Tangible equipment for viewing (Liston and program contractors?)
2. Sign up area - final day to seal the deal with contractors
3. Marketing area
4. Greeter (Sally)
5. Food (John, Sally)

III. Apply for LIAC Rolling Loan for Bristol John and Sally

IV. VT Energy Dashboard - check with other energy committees for guidance/challenge.

V. Public questions

Patty Hunt ~ How do people know about the Energy Dashboard?

Mary Arbuckle ~ VPIRG? Vermont Public Interest Research Group

How does one immediately ask for an audit? Call Efficiency VT or call the contractors listed on the Eff VT website. Or wait for Button-Up at Harvest Fest and sign up for a free walk-thru.
