Subject: Project Review Sheet

When an application for a Wastewater System and Potable Water Supply Permit is submitted to this office for review, or upon request from an individual, we complete a Project Review Sheet when needed. The Project Review Sheet identifies other State permits or approvals that might be required for your proposed project. If you or your consultant have not contacted the other agencies and your Town officials as marked, I urge you to do so. Please do not hesitate to call me if you have any questions or comments concerning this Project Review Sheet.

Sincerely,

Rick Oberkirch
