What are you most hoping to address by meeting with a professional energy contractor? \*

---

Which contractor(s) would you like to visit you?

**Silver Maple Construction - [www.silvermapleconstruction.com](http://www.silvermapleconstruction.com)**

Founded by lifelong friends Sean Flynn and Mike Steele and located in New Haven, Vermont, Silver Maple Construction is a collective of experienced artisans and talented builders. We offer decades of building experience in the Northeast; everything from deep energy retrofits to the construction of certified Passive Houses. We offer BPI-certified home energy audits and can contract and advise for all of your comfort and efficiency upgrades.

**Harvestar, LLC - [www.harvestarpower.com](http://www.harvestarpower.com)**

Harvestar is a local energy efficiency contractor specializing in solar technology, heat pumps, and home performance. We are dedicated to helping you understand and reduce your homes energy usage, as well as providing you with superior products and stellar service at an affordable rate. Don't just use energy, harvest energy.

I understand and agree that the information that I have provided in this form will be shared with (1) the contractor(s) that I have selected above so that they can follow up with me and schedule my free home visit, (2) Barnard Energy Committee so that it may track the progress of my home visit and weatherization project (if any) and follow up with me regarding the status of my home visit and my project, and (3) Efficiency Vermont so that it may track the progress of my home visit and weatherization project (if any), follow up with my contractor(s) regarding customer engagement and the status of my home visit and my project, and provide status updates to Barnard Energy Committee that may include dates of key milestones for my home visit and my project. I further understand and agree that Efficiency Vermont, Barnard Energy Committee, and the contractor(s) that I have selected may share additional information among themselves regarding my home visit and my project for the purposes listed in the preceding sentence and so that they can follow up with me throughout the process.
