

BRISTOL ENERGY COMMITTEE

Wednesday, October 17, 2018, 8:00 PM
Lawrence Memorial Library

Prepared by Sally Burrell

MEETING MINUTES

Present: Ian Albinson, Sally Burrell, Richard Butz, Mike Corey, John McCormick

EVSE (Electric Vehicle Charger) Grant Program- Ian, coordinator, contacting Valerie to get on the select board agenda. Nov 30th deadline for submission.

Mike suggests the EV charging will be good for promoting year round tourism for Bristol.

John - research and writing, including population of surrounding towns.

Dave - working on power location with GMP, 200? amps, equipment and installation costs, Peck Electric of Middlebury, still need info on labor.

Charge Point is the recommended credit company and supplies useful statistics and connections in the Assure Program, including a 5 year warranty.

John's Idea - Plan an event in Montpelier for Dec or Jan regarding the Governor's Climate Action Commission Report. Work together with area energy committees, Peter Wolk, Paul Costello, ANR and legislators. Organize workshops, speakers and panels.
