Subject: Re: Seeking quote for installation of Autumn Blaze maple trees

Hello Valerie,

Thanks so much for emailing Horsford's. Yes, this is definitely something we can help with. Below is some information:

[Acer x freemanii 'Autumn Blaze'](#) - sizes and prices are on our website, but below is an idea of the sizes we have in the quantities you need. These are the regular prices. In the spring, you can anticipate them being about 30% off as part of our Arbor Day Sale.

10-gallon container - \$169.98

1.75" caliper, B&B - \$395

2" - \$495

2.5" - \$595

Delivery is based on mileage away, and to the Bristol area, it would be around \$68.

To install a plant, we charge half the regular cost of the plant, *not the sale price* (ie: \$395 tree on sale for \$276.50 costs \$197.50 to plant). When installing we call Digsafe, dig the hole, plant the tree properly, fertilize, mulch, and stake if needed.

All of our deciduous trees come with a one year guarantee from date of purchase, so long as they're properly watered and cared for. [You can read more about our plant guarantee here.](#)

Our opening day for the season is April 15.

We hope this is helpful information for your project. Please let us know if you have any additional questions.

Thanks,
Jessica Becker

Subject: Seeking quote for installation of Autumn Blaze maple trees

Hi ,

The Town of Bristol is seeking quotes for 3 - 4 Autumn Blaze maple trees, including installation on a residential street and a one-year warranty. Is that something you offer?

Thank you,

--Valerie
