Good morning,

The price per tree is \$465 to purchase each tree, so 3 or 4 x \$465 depending on how many you order. The \$1100 is for the everything else- the delivery, labor and equipment.

If you wanted 3 trees, the total would be \$2495.
Planting one more additional tree would just add \$465.

There isn't much more additional labor to plant one more tree since we've mobilized for the other three, so I didn't add additional labor charge for a 4th tree.

Hope that clears things up.

Thanks,
Ed

Thank you, Ed.

Matador Maple 2-2.5 inch caliper (deeper red than Autumn Blaze)
Sourced and grown locally.
Per Tree: \$465 warranted for 1 year.
Total Labor/Equipment/Delivery: \$1100

To clarify: Is the \$1,100 in addition to the \$465 per tree? Or is the \$1,100 the total including the tree?

Thanks,

Hi Ed,

Will you be able to send over a quote by noon? This topic will be on Monday's Selectboard agenda and I am putting the packet together.

Thanks!

Message: The Town of Bristol is seeking quotes for 3 - 4 Autumn Blaze maple trees, including installation on a residential street and a one-year warranty. Is that something you offer? Thank you.
