Greetings:

We would like to inform you of a new service the Town of Bristol offers as part of our commitment to providing and improving our service for our citizens. The Selectboard has established an account on VT-ALERT, a Vermont state system for emergency notifications, that can be used to notify you in case of safety or health issues in the community. This is intended to provide timely information for such things as water line repairs, boil water notices, road closures, or issues with the sewer system, but may also be used for other emergency situations.

To make the system work best for you, please provide contact information that will ensure the messages sent out through Bristol's VT-ALERT will reach you in a timely and effective manner. Email and text messages (sent to mobile phones) are the easiest, but messages can go out through voice phone calls as well.

Please go to www.vtalert.gov for more information about the Vermont Alert program. Please contact the Bristol Town office if you have any questions. The sooner you return your contact information to the office, the sooner we will be able to keep you informed. You can also mail completed forms to PO Box 249, Bristol, VT 05443, email to clerk@bristolvt.org or drop them in the drop box outside our office at 1 South Street, Bristol, VT 05443.

Thank you-The Town of Bristol Selectboard
